Note 1 - Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. The agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding: \$ \_\_\_\_\_ per \_\_\_\_\_

Note 2 - Liability limitation for loss or damage on this shipment may be applicable. See 49 U.S.C. 14706(c)(1)(A) and (B).

Note 3 - Commodities requiring special or additional care or attention in handling or stowing must be so marked and packaged as to ensure safe transportation with ordinary care. See Sec. 2(e) of NMFC Item 360.

Subject to Section 7 of the conditions, if this shipment is to be delivered to the consignee without recourse on the consignor, the consignor shall sign the following statement.  
The carrier shall not make delivery of this shipment without payment of freight and all other charges. (Signature of Consignor) *J. Camarero*

RECEIVED, subject to individually determined rates or contracts that have been agreed upon in writing between the carrier and shipper, if applicable, otherwise to the rates, classifications and rules that have been established by the carrier and are available to the shipper, on request; the property described above in apparent good order, except as noted this contract as meaning any person or corporation in possession of the property under the contract agrees to carry to its usual place of delivery at said destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Bill of Lading set forth in the National Motor Freight Classification 100-X and successive issues. Further, carrier shall not be liable for damage to unprotected or uncrated freight or shipments.

Shipper hereby certifies that he is familiar with all of the terms and conditions in the said bill of lading including those on the back thereof and the said terms and conditions are hereby agreed to by shipper and accepted for himself and his assigns.

The shipper also certifies that the above-named materials are properly classified, described, packaged, marked and labeled, and are in proper condition for transportation according to the applicable regulations of the Department of Transportation.
